Cliff Cannon-Cin

Sir or Madam:

This is responsive to the Notification of Missing Requirements regarding compliance with requirements for patent applications containing "nucleotide sequence and/or amino acid sequence disclosures" mailed September 30, 2005, and setting a two-month period for response ending November 30, 2005. Prior to examination of the instant application, please amend the application as follows:

amendments to the Specification begin on page 2 of this communication; and
remarks are on page 5 of this communication.
